FAQ:
Can you add in a missing player or coach?
While it is possible, there is an extra charge for the time it takes to come to a second date and editing time remove backgrounds and edit them in.
Can we do custom package or photo style?
Give me a call to discuss we love trying new things and making sure your experience with PSP is a great one!
NOTE* We contantly add and change our custom backgrounds if you want something specific you have seen let us know or we will use our judgment to match to team.
